PUERTA DE SEGURIDAD REGULABLE EDGEHALT™

PUERTA DE SEGURIDAD CON TAMAÑO ÚNICO PARA ABERTURAS DE 457 MM A 914 MM (18" A 36")

Nuestra nueva puerta de seguridad regulable EdgeHalt™ de cierre automático hace que sea fácil proteger a su equipo de los peligros que suponen las aberturas en vallas de seguridad elevadas. Nuestra puerta es lo suficientemente flexible como para adaptarse a una amplia gama de aberturas, por lo que no es necesario medir cada una de las aberturas de su planta. Además, la tenemos en inventario y la enviamos en un plazo de tres días!*

UN TAMAÑO DE PUERTA:

- Regulable para adaptarse a aberturas de 457 mm a 914 mm (18" a 36"); se invierte y puede abrir a izquierda o derecha

RESORTES CON GARANTÍA DE POR VIDA:

- Diseñados y probados para resistir más de 1 millón de ciclos

INSTALACIÓN FÁCIL:

- No es necesario cortar ni aserrar

CUMPLE CON LOS CÓDIGOS:

- Cuenta con el marcado CE y cumple con las normas para vallas de seguridad de OSHA, ANSI, OHS Canada y CSA

ACABADO:

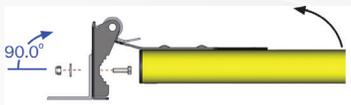

- Pintura en polvo color amarillo de seguridad para acero dulce

SIEMPRE EN LA POSICIÓN CORRECTA:

- El cierre automático protege a los empleados de una peligrosa caída

OPCIONES DE MONTAJE:

- Montaje estándar en barandilla (imagen de la derecha)
- El montaje en superficies planas (abajo) cambia el rango de la puerta a 521-978 mm (20,5-38,5")

*Los pedidos internacionales o de grandes cantidades pueden tener plazos de entrega más extensos
